Profiles

AFRICA HEALTH SUPPLIES (AHS)

Africa Health Supplies (AHS) is a Ghanaian-based medical equipment supply company dedicated to improving healthcare outcomes through innovative and affordable solutions. We specialize in neonatal and maternal care, with flagship

equipment like the Firefly Phototherapy® machine for jaundice treatment. AHS partners with global leaders including MTTs®, Vayu Global® (makers of life-saving neonatal Vayu BCPAP®), HATCH Technologies® and BleS Biochemical® (producers of essential BleS Surfactants®). With strong after-sales support and a focus on quality, we serve hospitals nationwide, strengthening health systems and saving lives. AHS is redefining healthcare delivery through strategic partnerships, impactful technology, and a mission to make every breath and heartbeat count.

AUNTY LULU'S GOURMET FOODS

Established in 2018, Auntie Lulu's Gourmet Foods is a proudly Ghanaian brand producing pure, natural chilli sauces made without additives, preservatives, or chemicals. Founded by Auntie Lulu under Nasmin Enterprise, the company uses fresh, locally

sourced ingredients and applies strict quality control. All products are Ghana FDA approved and crafted to deliver rich, authentic taste. With a mission to add value to Africa's agricultural bounty, the brand continues to grow its presence globally - bringing wholesome, flavourful products to the tables around the world

QUALIPLAST LTD

Qualiplast Ltd. is a distinguished plastic manufacturing powerhouse with a legacy spanning over 50 years, standing tall as a leader in Ghana and across West Africa. With a portfolio of over 700+ high quality plastic packaging products, we proudly serve

since 1973, industries such as beverage and food, mining, agriculture, cosmetics, chemicals, pharmaceuticals, and households across the African continent. Qualiplast Ltd. stands as the undisputed leader in the plastics industry in Ghana and West Africa. Our unmatched product quality, operational excellence, customer satisfaction and community impact position us as the benchmark for the industry. At the heart of our operations lies an unwavering commitment to international standards of quality and excellence. We operate a state-of-the-art quality laboratory and hold ISO 9001 (Quality Management), ISO 14001 (Environmental Management), and OHSAS 18001 (Occupational Health and Safety) certifications. Through continuous investment in cutting-edge technology, operational optimization, and sustainable practices, we proudly set the standard for manufacturing excellence across the region.

Profiles

MELCOM GROUP

Melcom Group is a leading retail company in Ghana, established in 1989 by Mr. Bhagwan Khubchandani. From its modest beginnings, it has grown into a household name with over 70 retail outlets nationwide. The group comprises four distinct

entities: Melcom Limited, Century Industries Limited, Melcom Travel and Tours Limited, and the Melcom Care Foundation. This structure allows Melcom to deliver a wide range of products and services, meeting the diverse needs of its customers. Employing over 6,000 people and attracting around 70,000 daily visitors to its stores, Melcom has become a significant force in Ghana's retail space. Through strategic backward integration, the company has ventured into electronics assembly, plastics manufacturing, Quick Service Restaurants (QSR), property development, and more. Melcom's journey reflects resilience, innovation, and a commitment to excellence. As it continues to expand, the company remains focused on adding value to its customers, workforce, and the wider Ghanaian community.

LETAP PHARMACEUTICALS LTD.

Letap Pharmaceuticals Ltd. Has been a pioneer on pharmaceutical manufacturing since 1997 committed to producing high quality, affordable medicines that meet international standards and a diverse portfolio spanning analgesics, anti-infectives, antihistamines, and more.

Letap plays a vital role in improving access to essential healthcare across West Africa, and prioritizes quality assurance, and affordability in every product it delivers. Letap's growing reputation is built on reliability, excellence, and a deep-rooted mission to support healthier communities. This recognition for international Product of the Year highlights Letap's dedication to advancing local manufacturing and transforming lives through quality medicines.

BEL BEVERAGES

BlowChem can boast of 6 high-capacity industrial lines. Bel Beverages has a daily production capacity of about 200,000 packs and Bel Aqua, a capacity of about 70,000 packs. The capacity annually is about 60,000,000 packs for beverage and 24,000,000

packs for Bel Aqua. BlowChem has employee welfare initiatives which include employee health and safety, wellness programs, and work-life balance. Dividend is allocated to each employee when sick, injured or in mourning (funeral). The company's diversity and inclusion initiatives promote gender, racial, and ethnic diversity. There are no discriminations in age, gender, race and nationality in employing an individual. Our workforce includes Ghanaians with different ethnic backgrounds, Indians, Egyptians and Filipinos among others. Our workforce comprises of 60% males and 40% females.

Profiles

GOLDBOD JEWELLERY

Goldbod Jewellery is a state-owned institution under the Ministry of Lands and Natural Resources, the nation's premier jeweller and the market leader in the production and sale of jewellery. Goldbod Jewellery manufactures and markets both hand-made

and machine-made jewellery in gold, diamond, other precious minerals and stones. We produce contemporary and indigenous 18kt and 22kt gold jewellery using Ghanaian designs such as the adinkra symbols to market Ghana's rich gold jewellery to the world. We buy back old and broken jewellery and remold them into new designs. Our products are authentic and can match up to international standards. We pride ourselves in good quality products and services in the following capacities; perfect finish, quality guaranteed, hand-crafted jewellery. With our head office located at Diamond House in Accra, we also operate through six (6) outlets located at Osu, East Legon, Spintex, Tema, Kumasi (Ampomah Arcade - Adum), Kumasi (Prempeh I International Airport).

PROCUS GHANA LIMITED

Procus started operations in early 2020 with one goal of improving and touching the lives of people in Ghana. We continue to grow as one of the country's most trusted brands. Our products provide value for money, high quality, great taste

and convenient packaging that makes the lives of our consumers more enriching. We are driven by our experienced employees who are qualified with knowledge and experience in sales, manufacturing, marketing, supply chain and distribution business. Our warehouses, which have been checked and approved by the Food and Drugs Authority of Ghana are well designed to ensure proper storage and safety of all products.

TOP-UP PHARMACY

Top-Up Pharmacy, established in 2004, is a leading pharmaceutical company in Ghana with 16 branches nationwide. We offer retail, wholesale, and importation of quality medicines, along with 24/7 pharmacy access, home and office delivery,

diagnostics, therapy management, weight management, cosmetology, and expert counselling. Guided by integrity, reliability, and compassion, our mission is to alleviate suffering, share life-saving knowledge, and deliver accountable healthcare to our communities. From humble beginnings in Tema, we have grown into a trusted brand, dedicated to meeting clients' needs and aiming to become a key global player in healthcare delivery and distribution.
